**THE
ROAR
OF THE
ISLAND**

PHILLIP ISLAND | 18-20 OCT '24

I am going to the Australian Motorcycle Grand Prix 2024.

MotoGP™ is where 22 of the world's best riders race for points to win the World Championship.

PHILLIP ISLAND
18-20 OCT '24

**THE ROAR OF
THE ISLAND**

The Australian race is on a track in Phillip Island.
When I get there I might see some wildlife I don't usually see.

We are always nice to the wildlife,
I am not allowed to touch the animals.

When I get to the Phillip Island Track I can walk through the different gates where a member of staff will scan my ticket.

It might be really busy, to help I can stay close to my friends and family.

After I go through the gates, it will also be very busy with lots of people.

There will be people taking photos, eating and drinking different foods, and cheering on the races.

At the Phillip Island Circuit I will see different motorbikes going around the track.

They are very loud.
But I will get to see my favourite riders on them.

I might go on the shuttle buses around the circuit as it can take a long time to walk to different places.

If I get separated from who I am with or need anything there will be lots of people I can ask for help.

There are people in bright red jackets, paramedics, police, security or other workers.

There will be lots of things off the track to do and see as well. There could be loud planes in the sky, music playing loudly, busy stalls at the Expo, and even more. If I need a break, I can ask to see the sensory room or somewhere else a little bit quieter.

There could be lots of traffic on the way home as everyone leaves the event.
